

Public Service Announcement

March 13, 2020

For Immediate Release

CITY OF LOGAN TO TEMPORARILY CLOSE LOGAN COMMUNITY RECREATION CENTER AND LIBRARY

As a precautionary measure due to the threat of the Coronavirus (COVID-19), the City of Logan will close the Logan Library and Logan Community Recreation Center to the public beginning Saturday March 14th. The anticipated reopen date is Monday March 30th. Please see page 2 for specific information about each of the facilities closures.

All other City buildings will remain open at this time. We encourage residents to use online services or phone calls wherever possible. Many city services are available on the website at www.loganutah.org. Utility payments can be made online, over the phone by calling 435-716-9208, or deposited in the utility payment drop box in the Logan City Hall parking lot (290 N 100 W in Logan). For questions, call 435-716-9000.

We will still hold the Logan City Council meeting as scheduled on Tuesday, March 17 at 5:30 pm. Citizens can watch the meeting live on the Valley Channel (17) or on the city's Facebook page (<https://www.facebook.com/cityoflogan/>). Per the Governor's recommendation to keep gatherings to under 100 people, and to allow for social distancing, we will have a secondary room available with live stream at city hall.

This is an evolving situation and we will continue to provide updates on our website and to the Logan City Facebook Page. The city is working with the Bear River Health Department to keep us informed of best practices. Please check their website at <http://brhd.org/coronavirus>. It is an accurate source of up to date information and provides excellent tips on keeping yourself healthy. Use good judgement, good hygiene, and don't panic. These are proactive measures intended to limit spread of the virus.

Public Service Announcement

Logan Library Closure Information:

Due dates of all items will be extended through March 30, 2020. The book drops will be open so you may return your items. Holds will also be held here at the library for you until the library reopens.

The library Pick-It-Up Service will continue to be available for any patron wanting to pick up holds. Staff will be available from 10-5 to take your items to your car. Please have your library card available to show the staff member. Call us at 435-716-9121 when you are parked on the south side of the library in front of the signs on the gate to the dumpster.

There are many digital services available through Logan Library, check out our website for more information. <http://library.loganutah.org/>

The library will be offering online storytimes and other fun videos during our closure! Please watch their website for more information.

Logan Community Recreation Center Closure Information:

Cleaning of the Logan Community Recreation Center will take place while the facility is closed and staff will be available at the front desk to answer community questions. They can be reached at 435-716-9422.

The Jr. Jazz and Men's Basketball programs have been postponed until further notice.

All aerobics classes are cancelled Saturday March 14 through March 30th.

The final public input community meeting regarding the Dog Friendly Parks Pilot program has been rescheduled to April 15th, 2020.

The spring parks and trails cleanup project will still take place as scheduled.
