**A "zine" is an independent publication, a DIY magazine-like thing. Because you do it yourself it can be pretty much anything you want it to be: draw a comic book, create a how-to instruction booklet, showcase your poetry or photography or artwork, cut and paste illustrations and text. It can really contain anything you want.**

1. Submissions must be received at the library before 6 PM on April 21.
2. For our contest, you'll be making an eight-page folded zine using the attached template. Create your pages, then turn in your masterpiece.

3. We will publish up to 20 black and white copies of winning entries, to be distributed as you like.
4. If you win, we will also contact you to arrange details about attending Avengers: Infinity Wars

\*\*\*Winners will be notified Tuesday, April 24<sup>th</sup>\*\*\*
