ORDINANCE AMENDING SECTION 301 OF REVISED ORDINANCES
OF LOGAN CITY, 1927.

BE IT ENACTED BY THE CITY COMMISSIONERS OF LOGAN CITY, UTAH,
AS FOLLOWS:

Section 1. Section Amended. That section 301 of Revised Ordinances
of Logan City, 1927, be amended to read as follows:

301. Gasoline Pumps. Gasoline shall be drawn from tanks by pumps so
constructed as to prevent leakage or waste splashing, or by some other system approved
by the Chief of the Fire Department, with controlling apparatus and piping so arranged
as to allow control of the amount of discharge, and to prevent leakage or discharge
inside the building by derangement of the system. Outside visible measure discharge
devices, which are approved by the underwriters laboratories may be permitted outside
of the walls of any building, provided, the capacity of the visible compartment is not
more than ten gallons.

No gasoline pump shall hereafter be permitted to be installed on any
sidewalk or curb in Logan City. No gasoline pump shall be installed until it has been
inspected by the Chief of the Fire Department and a permit issued for the installing
of same.

Passed by the Board of City Commissioners this 24th day of May, A. D.
1929.

A. G. Lundstrom, Mayor.

ATTEST:

H. R. Pedersen, City Recorder.

AN ORDINANCE AMENDING SECTIONS 90, 91 and 92 AND REPEALING SECTION 93, OF REVISED ORDINANCES OF LOGAN CITY, 1927.

Section 1. Sections Amended. That sections 90 and 91 of Revised Ordinances of Logan City, 1927, as amended by Ordinance passed on the 13th day of March 1928, be and the same are hereby amended to read as follows:

90. Restrictions in Residence District. Any person, company or corporation wishing to conduct in the residence district, including both the residence fire district and the urban fire district, a livery stable, public garage, service station, gas reservoir, grocery store, blacksmith shop, laundry or any other business, on the corner of a block must present to the building inspector the written consent of 60 per cent of all the frontage extending 400 feet from and along both sides of each street intersecting at said corner, also the full consent of the frontage 75 feet immediately adjoining on either side before permit will be issued. Any of the above buildings constructed within 75 feet of the corner will be considered as being on the corner.

91. Id. - Any person, company or corporation, desiring to conduct any business as enumerated in section 90, in the residence district, including both the residence fire district and the urban fire district, at any point other than at the corner, shall present the building inspector with the written consent of 60 per cent of the frontage extending to the adjoining corner of the block, and on both sides of the street, also the full consent of the 75 feet immediately adjoining on either side before permit will be issued.

Section 2. Sections Amended. That section 92 of Revised Ordinances of Logan City, 1927, be and the same is hereby amended to read as follows:

92. Area Regulations. It shall be unlawful to erect any building in the residence district, including both the residence fire district and the urban fire district, closer than 20 feet back from the property lines; provided that where a building line has been established by a majority of the property on the block the builder may conform to that line, neither shall it be lawful to erect any building closer than 10 feet to the property line on the south or east sides of said building and not closer than 5 feet on the other sides of said buildings.

Section 3. Section Repealed. That section 93 of Revised Ordinances of Logan City, 1927, be and the same is hereby repealed.

Section 4. Emergency. An emergency is hereby deemed to exist and it is hereby ordered that this Ordinance shall take effect immediately upon the publication.

PASSED by the Board of City Commissioners this 16th day of August, A. D. 1929.

ORDINANCE.

AN ORDINANCE

GRANTING TO JOHN McFADEN OF CASPER, WYOMING, AND L. B. DENNING, OF DALLAS, TEXAS, THEIR SUCCESSORS OR ASSIGNS, A FRANCHISE FOR THE CONSTRUCTION AND OPERATION OF A GAS DISTRIBUTING PLANT OR SYSTEM IN LOGAN CITY, UTAH, FOR A TERM OF FIFTY YEARS, AND FIXING AND PRESCRIBING CONDITIONS AND TERMS THEREOF.

BE IT ORDAINED BY THE BOARD OF CITY COMMISSIONERS OF LOGAN CITY, UTAH:

Section 1. That there is hereby granted to John McFayden, of Casper, Wyoming and L. B. Denning of Dallas, Texas, their successors or assigns, hereinafter called Grantees, the right, privilege and franchise to construct, maintain and operate in the present and future streets, alleys, parkways, and other public places in Logan City, Utah, a system of gas mains, supply pipes and laterals, with all necessary or desirable appurtenances, for the purpose of supplying gas for light, heat, power and other purposes to Logan City and the inhabitants thereof, for the term and under the conditions hereinafter set forth.

Section 2. All mains, pipes and laterals shall be so laid as to interfere as little as possible with traffic over the streets and alleys. The location of all mains pipe lines and laterals may be fixed under the supervision of the governing authorities of Logan City.

Section 3. When the Grantees shall make or cause to be made excavations, or shall place obstructions, in any street, alley, parkway, or other public place, the public shall be protected by barriers and lights placed, erected, and maintained by the Grantees; and in the event of injury to any person or damage to any property by reason of the construction, operation or maintenance of the gas distributing plant or system of the Grantees, the Grantees shall indemnify and keep harmless Logan City from any and all liability in connection therewith.

Section 4. The grantees shall repair and clean up and restore to an approximate original condition all streets and alleys disturbed during the construction and repair of their gas distributing system.

Section 5. The Grantees, at least ten days before work shall be started under this franchise, shall place and at all times keep on file with the City Engineer or City Recorder plans showing the location of the pipe lines of the Grantees and the size thereof.

Section 6. No mains or pipes shall be laid within the limits of any public park belonging to Logan City without special permission therefor being first had from the governing authorities of said municipality.

Section 7. The Grantees may make and enforce reasonable rules and regulations in the conduct of their business and may require before furnishing service, the execution of a contract therefor; they shall have the right to contract with each consumer with reference to the installation of service pipe lines and the control of service pipes from the connection thereof with the supply lines of the Grantees in the streets to and including the meter located on the consumers premises. For the purpose of securing safety and good service to the consumer and in the public interest, Grantees shall have the right to prescribe the sizes and kinds of pipe to be used by the consumer in conveying gas on consumers premises and shall have the right to refuse service to any consumer who neglects or refuses to comply with the rules and regulations of the Grantees prescribing such conditions.

Section 8. The right is hereby granted unto the Grantees to furnish, distribute, supply and require payment for gas to all persons and corporations in Logan City, through the said system of gas mains, supply pipes and laterals, and to do all things necessary and incident thereto, in accordance with the terms and conditions herein specified.

Section 9. The gas furnished by the Grantees shall be sold and delivered to the consumers through standard meters, and the municipality reserves the right to regulate and test the accuracy of any such meters in service by a competent officer or agent appointed for the purpose by the governing authorities of said municipality.

Section 10. The rates and prices which the Grantees, their successors or assigns, may charge for gas and gas service furnished and delivered under the terms of this franchise shall be fixed in accordance with the laws and Constitution of the State of Utah and the laws and Constitution of the United States.

Section 11. Permission is hereby granted unto the said John McFayden and L. B. Denning, their successors and assigns, to assign this franchise and all rights hereunder, and upon assignment of this franchise, in accordance herewith, said successors or assigns, whether individuals or corporations, shall become entitled to all the rights and privileges herein granted and shall assume all the obligations and duties herein provided, provided however, that such assignment shall not become effective until the same is filed with Logan City.

Section 12. This franchise and all the rights herein granted shall terminate at the end of fifty years after the date of passage of this ordinance unless sooner terminated by virtue of the provisions herein contained.

Section 13. This ordinance, and the rights herein conferred, shall be null and void unless within ninety (90) days after the passage and publication hereof, the said Grantees, their successors or assigns, shall file with the City Recorder of Logan City a written instrument declaring their acceptance of the terms and conditions hereof and their intention to be bound by and perform the same. Notwithstanding the execution and filing of such written acceptance, this ordinance and the rights herein conferred shall be null and void unless the Grantees, their successors or assigns, shall begin delivering gas under the terms of this ordinance to consumers in Logan City within two years from the final granting of a certificate of public convenience and necessity by the Public Utilities Commission of the State of Utah.

Section 14. A.. ordinances and parts of ordinances in conflict herewith are hereby repealed.

Passed on the 28 day of August, 1929.

A. G. LUNDSTROM, Mayor of Logan City, Utah.

AN ORDINANCE AMENDING SECTION 850, OF REVISED ORDINANCES OF LOGAN CITY, UTAH, 1927.

BE IT ENACTED BY THE CITY COMMISSIONERS OF LOGAN CITY, UTAH, AS FOLLOWS:

Section 1. Sections Amended, That Section 850 of Revised Ordinances of Logan City, 1927, be, and the same are hereby amended to read as follows:

850. Supervisor, City Electrician, or Superintendent of Water Works May Order Removal of. The parking supervisor of the City Electrician, or the Superintendent of water works are hereby given authority to order the removal of any shade, or other tree, stump, shrub or vine, or any part of such tree, standing or growing on any street or sidewalk parking in Logan City, upon the ground that the same is deceased, dead, unsightly, undesirable, injurious or a nuisance upon the grounds that such tree interferes with, or may hereafter interfere with electric light, or telephone wires or poles in any street, alley, or sidewalk parking in this City; or upon the grounds that such a tree or trees, or the roots thereof interfere with or damage the sidewalk, curb and gutter or other street pavement, water mains, fire hydrants, sewer mains, pipes, or any sewer connections. In case said parking supervisor, or superintendent of water works shall order the removal of any such tree, stump, shrub, or vine, the same shall be removed by the owner thereof, at his own expense, within three weeks from the date of the service of a notice upon him to remove the same, and upon his failure to do so, they may be removed by the parking supervisor or superintendent of water works, at the expense of such owner, or abutting owner, All such expenses so incurred may be collected in
